

TESTCO

A PEI-Genesis Company

Excellence in Component Distribution

Located in the heart of Silicon Valley, we have been serving technology companies worldwide for over 40 years. Testco's success comes from a sharp focus on customer satisfaction by utilizing a limited line card. This allows us to offer superior technical expertise with broad product knowledge. We focus on electromechanical, circuit protection, and sensor components. From personal delivery in Silicon Valley to daily shipments to Asia and Europe, we offer creative supply chain solutions to meet your requirements. With flexible blanket orders, bonded inventory, consolidated shipments, and annual pricing programs, we can solve your most difficult supply challenges.

Our value proposition:

**High-Touch
Customer Service**

**Technical
Expertise**

**Market Driven
Inventory**

**Creative Supply
Chain Solutions**

**Flexible Stocking
Programs**

**Focused
Line Card**

- Surface Mount Fuses
- Resettable PTCs
- Radial Lead
- Glass/Ceramic Tube Fuses
- Automotive Fuses

- DC Brushless and DC High Voltage Motors

- Solid State Relays, Power Transformers
- Magnetic Sensors, Reed Relays

- Linear, Rotary, and DC Open Frame Solenoids
- Rotary & Linear Actuators

- Reed Sensors & Switches
- Dry and Mercury Wet Reed Relays
- Tilt and Tip Over Switches

- Variety of sensors including Pressure, Temperature, Optical, Proximity, and more

- Reed Relays, Reed Switches
- CotoMos® Solid State Relays
- RedRock™ TMR Magnetic Sensors

- Ultra-High Density, RF, SIP, and SMD Reed Relays
- High Voltage and High Current Reed Relays

- Optoelectronics/LEDs
- Pushbutton Switches

- Ethernet Lightning Protection

- Industrial, AC Open Frame, and Laminate Solenoids

- Snap-Action Micro-Switches, Sealed Ultraminiature, Standard, High Temperature, and High Current Microswitches

- Circuit Breakers
- Solid State Relays
- Electronic Circuit Protectors
- Intelligent Power Distribution Systems

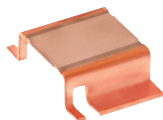

- Rotary and Linear Stepper Motors
- Synchronous Motors

- Communication and Power Magnetics
- LAN Transformers, Inductors, RJ45 Connectors

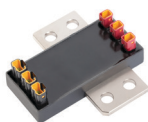

- High Density, High Temp Card Edge Connectors
- Sockets, Headers, and Jumpers

- Precision, Current Sense, High Power Shunts, and Resistors
- Braking and Pulse Resistors

- Microtemp® Thermal Cutoffs and Snap Action Temp Switches
- NTC Thermistors and Thermistor Probes

- Precision High Current Measurement Systems

- Resistors, Capacitors/Super capacitors, Inductors
